

St. Brendan's College

Mission Statement

As a Catholic school and a worshipping community based on Christian values, we aim:

To create a caring, happy community where each person is valued and where there are close links between the school and the Edmund Rice Schools Trust, the home, the parish and all of our partners in education.

To provide a safe and purposeful environment where relationships are based on the Gospel values of peace, justice and reconciliation and the life of Edmund Rice.

To develop the character and talent of all our pupils to their fullest potential through a curriculum which is broad, balanced and relevant and which is supported by a wide range of extra-curricular activities.

To prepare pupils to take their place in our multi-cultural society and to develop a partnership between the school and the wider community.

To foster the development of both staff and pupils through structured programmes of support and encouragement.
